Dear Christina:

Thank you for your interest in the Sumner P. and Flora A. P. Mills Charitable and Educational Fund – community service awards for the 2012-2013 academic year. After reading your essay, recommendations, and grades, I would like to congratulate you on being selected for this \$1,000 award. Usually one half is credited for your fall semester and the other half for the spring semester.

It sounds like you have dedicated many hours to your volunteer projects which have been a win-win situation for both you and for those whom you've helped. That says a lot about you.

People like Peter Mills, who establish scholarships, have a deep commitment to helping aspiring students. It's always a special pleasure for them to hear from their recipients and to put a name and person to their philanthropy. Mr. Peter Mills, unfortunately, died in 2001, but his son, Paul H. Mills, Esq. still resides here in Farmington.

We highly encourage you to express your gratitude by writing to him at P. O. Box 608, Farmington, ME 04938.. I'm sure she would love to hear from you; I have taken the liberty of telling him a little about you, but a note from you would be extra special. Thanks.

Congratulations!

Sincerely,

A handwritten signature in cursive script that reads 'Pat Carpenter'.
